

Auto Wudu Washers[®]

ISLAMIC PRE-PRAYER ABLUTION SYSTEM

The **Auto Wudu Washers[®] (AWW)** is the world's first and only automatic pre-prayer personal washing system introduced to enable an individual to perform the Wudu ablution efficaciously in conformance to Quranic teachings. This is achieved by the use of a purpose built ear, mouth and facial washer unit, a forearm and elbow washing unit and a foot and ankle washing unit all of which are incorporated in a single system. The **AWW[®]** performs all these three Wudu functions hygienically, conveniently and efficiently without water spillage. The **AWW[®]** incorporates state of the art technology in fluid dynamics, valve control technology and ergonomics, creating an environment that gives the user an individualized clean washing and drying experience never known and available before.

Auto Wudu Washers®

Automatic Washing & Drying Units

SENSOR OPERATED

Ear & Facial washer

Forearm & Elbow

Foot & Ankle washer

Main Features

- ◆ State of the art technology
